The Director of the camp you would most like to attend will be calling you to discuss the counselor needs of the camp. It is our hope that you will be able to counsel at the camp of your choice. However, the Director of the camp, after assessing the needs of the entire camp, has the responsibility of putting together a counseling staff that best fits those needs. If you have any questions, or if you would like further information about the responsibilities of a Camp Counselor, please call (308) 346-5083 or e-mail at kamp@micrord.com.

It is the policy of Kamp Kaleo that a "background" check be conducted on all counselors.

If you have additional names of possible counselors – please call or e-mail Kamp Kaleo.
