

Senior High Camp / June 6-11

Senior High Camp has long been a favorite at Kaleo. Whether you have been attending camp every year or this is your first experience, you will feel welcomed and encouraged by everyone here. Your days are split between varied activities that will help you along your faith journey. Plus, you'll just have a blast with old and new friends. You can enjoy recreational activities, including a challenge course, and tubing the North Loup River, as well as opportunities to participate and lead in mission and worship. This camp is for youth entering 9th grade through graduated seniors. It offers a variety of ages and experiences to learn from and help you transition into a positive Christian role model for other youth.
